

# RADICAL CORE CANVAS

## RADICAL CORE CANVAS

**DEFINE YOUR RADICAL  
CORE AMBITION:**

**MAIN QUESTION: What exactly is it (which structures, cultures, and practices) that you want to transform with your process?**  
For this step, you can write but also draw and be creative.

**SUB-QUESTIONS TO CONSIDER:**

Why did you choose this focus?

What do you want to transform  
with your process?

How does it relate to the system level  
interventions (see [section 2.1](#)) of your  
context? (e.g. city, neighbourhood,  
organisation, etc.)?

How is it transformative? i.e. different  
from what is already being done.
